

Somerville Bull Test

University of Tennessee Extension, The Fayette County Livestock Association and Mid-South Farmers Coop will be sponsoring an annual Bull Testing
Saturday, November 6, 2010

Don't miss this opportunity to get your bulls completely checked over before breeding season!

Bulls will receive the following:
Semen Quality & Quantity Check
Check Eyes, Feet, Legs, etc.
Vaccination Cattle Master 4VL5
Body Condition Scored

Location : Somerville Livestock Barn
Day : Saturday, November 6
Time : Saturday - 8:00 a.m. - 2:00 p.m.
Cost : \$25 for members and \$35 for non-members

These procedures will be performed by Wesley Klipfel, Cottage Farms Genetics
Beef producers must call the Extension Office and confirm you will be bringing bulls in for testing.

We will only take the first 50 bulls that call in to the Fayette County Extension Office
Vaccinations will be FREE of charge, sponsored by Mid-South Farmers Coop
